Mr. A. Loudon Snowden,  
Supt. Mint of the U. S.,  
Philadelphia, Pa.,  
Sir:

I have just received your telegram giving assay of the sample of silver sent you, and I thank you very much for your great kindness in the matter.

I have two more lots - snowed up somewhere on the road to me - and when they arrive, I would like to trespass again on your kindness so much as to have a sample from each lot assayed.

Very respectfully

Your obedient servant

Mr. A. Loudon Snowden,  
Supt. Mint of the U.S.,  
Philadelphia, Pa.

Sir:

I have just received your telegram giving assay of the sample of silver sent you, and I thank you very much for your great kindness in the matter.

I have two more lots – snowed up somewhere on the road to me -, and when they arrive, I would like to trespass again on your kindness so much as to have a sample from each lot assayed.

Very respectfully  
Your obedient servant
